8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28

<b>Day</b>	<b>Time</b>	<b>Program</b>	<b>Location</b>
February 1-3		<p align="center"><b>Musculoskeletal MRI in the Desert</b></p> <p>This three-day course will provide the clinical radiologist with the essentials of MRI evaluation of the musculoskeletal system including the major joints and spine, as well as an update on working with an orthopaedic surgeon. The faculty will review both basic and more sophisticated imaging techniques, protocol design and implementation, and imaging pitfalls. Practical, rather than theoretical, information will be emphasized. <i>Fees: \$1025</i></p>	<p align="center">UCSF La Quinta Resort La Quinta, CA</p>
February 3	12:00pm	<p align="center"><b>Second Hand Smoke</b></p> <p align="center">Speaker: Staton Glantz, M.D.</p> <p align="center">For more information, contact Marcia Shaikin at 650-991-6408.</p>	<p align="center">Seton Medical Center 1900 Sullivan Ave Daly City</p>
February 3	12:15pm	<p align="center"><b>Sponsored by Psychiatry Department</b>  <b>“Cross Culture Communication: Diagnosis, Treatment, and the Establishment of Meaning in a Case of an Older Filipina Woman”</b></p> <p align="center">Speaker: Chris Esguerra, M.D.</p>	<p align="center">Mills-Peninsula Pen-Sierras</p>
February 4	9:00am	<p align="center"><b>Critical Care Rounds</b></p>	<p align="center">Mills-Peninsula Pen-ICU/CCU</p>
February 4-6		<p align="center"><b>CT/MRI of the Abdomen and Pelvis</b></p> <p>The course is an intensive review and update of clinical imaging of the abdomen and pelvis. It will provide a complete understanding of state-of-the-art imaging methods as they pertain to current clinical practice. <i>This course is intended for clinical and academic radiologists to review abdominal topics that can be used in daily practice. Fees: \$1025</i></p>	<p align="center">UCSF Palm Springs, California La Quinta Resort</p>
February 5	8:00am	<p align="center"><b>Tumor Board</b></p>	<p align="center">Mills-Peninsula Pen-Sierras</p>
February 5	8:00am	<p align="center"><b>Rheuma Board</b></p>	<p align="center">Mills Peninsula Mills – Cancer Center Conf. Room</p>

February 6	8:30am	<p align="center"><b>Medicine Business and M&amp;M Rounds</b></p> <p align="center">Speaker: Catherine Chimenti, M.D.</p>	<p align="center">Seton Medical Center 1900 Sullivan Ave Daly City</p>
February 6	12:00 -1:00pm	<p align="center"><b>REM Sleep Behavior Disorder, a window to neurodegenerative diseases</b></p> <p align="center">Speaker: Eric Frenette, M.D.</p> <p align="center">Contact: Jamie Zeitzer 650-493-5000 or email: <a href="mailto:jzeitzer@stanford.edu">jzeitzer@stanford.edu</a></p>	<p align="center">Stanford 701A Welch Rd., 2<sup>nd</sup> Fl. Conference Room Sleep Center Palo Alto</p>
February 7		<p align="center"><b>Asian Heart and Vascular Symposium</b></p> <p>The Asian Heart and Vascular Symposium will present the newest clinically relevant information available on heart and vascular diseases in the Asian American population for practicing cardiologists and other health care professionals. Fees:\$225</p>	<p align="center">UCSF Hotel Kabuki Vivre Hotel 1625 Post Street San Francisco</p>
February 10	7:45am	<p align="center"><b>Hip Fractures: The Orthopaedic MI</b></p> <p align="center">Speaker: Paul Abeyta, M.D.</p>	<p align="center">Mills Peninsula Pen-Sierras</p>
February 10	12:00pm	<p align="center"><b>MRI Imaging of Alzheimer’s Disease: Diagnosis, Early Detection &amp; Treatment</b></p> <p align="center">Speaker: Michael Weiner, M.D.</p> <p align="center">For more information, contact Marcia Shaikin at 650-991-6408</p>	<p align="center">Seton Medical Center 1900 Sullivan Ave Daly City</p>
February 10	12:15 – 1:30	<p align="center"><b>Metabolic Complications of Antipsychotic Therapy</b></p> <p align="center">Speaker: Sun H. Kim, M.D.</p>	<p align="center">San Mateo Medical Ctr. Multipurpose Rm #100 225 West 37<sup>th</sup> Ave. San Mateo</p>
February 11	8:00am	<p align="center"><b>Stroke Team Conf. “ Arterial Dissection and Stroke”</b></p> <p align="center">Speaker: Vineeta Singh, M.D.</p>	<p align="center">Mills Peninsula Pen-Sierras</p>

February 11-13		<p align="center"><b>42nd Annual Recent Advances in Neurology</b></p> <p>This meeting is designed for the practicing neurologist and provides a review of clinical neurology, with emphasis on areas of recent neurological advances and progress in patient management. Fees: \$495</p>	<p align="center">UCSF Hotel Nikko 222 Mason Street San Francisco, CA</p>
February 12	8:00am	<p align="center"><b>Cancer Committee/Oncology Section</b></p>	<p align="center">Mills Peninsula Pen-Sierras</p>
February 12-13		<p align="center"><b>Laryngeal Endostroboscopy: Performance and Interpretation</b></p> <p>This 2 day course is designed for the otolaryngologist and speech language pathologist to gain knowledge and skill in the performance and interpretation of laryngeal stroboscopy. Principles of laryngeal function will be discussed so that the clinician will understand the necessity and the true diagnostic potential of laryngeal endostroboscopy. Fees: \$495</p>	<p align="center">UCSF Voice &amp; Swallowing Ctr 2330 Post Street, 5<sup>th</sup> Fl. San Francisco</p>
February 12-14		<p align="center"><b>4th Annual Symposium on PET/CT and Molecular Imaging</b></p> <p>This course is intended for practicing radiologists and radiology technologists, nurses, scientists, and others who are interested in current techniques and applications for PET/CT and molecular imaging. Fees: \$950</p>	<p align="center">Stanford Bellagio Hotel, Las Vegas</p>
February 13-14		<p align="center"><b>Innovations in Prostate Cancer: What's New, What's Next?</b></p> <p>This course is designed for urologists, medical oncologists, radiation therapists and allied health professionals who evaluate and manage prostate cancer. Internationally renowned faculty will present the most recent developments and state of- the-art techniques in this field. Fees : \$395</p>	<p align="center">UCSF Omni Hotel 500 California Street San Francisco</p>
February 14-17		<p align="center"><b>Pacific Rim Otolaryngology Head and Neck Surgery Update Conference</b></p> <p>With improved understanding of pathophysiology and disease mechanisms and with technological advancements, the approaches to head and neck surgical disorders and head and neck surgery techniques continue to evolve at a rapid pace. The goal of this course is to provide an update in contemporary head and neck surgery and to foster educational interaction between practitioners from the Pacific Rim and beyond.</p> <p>Fees:\$575 - Registration Information: (415) 476-5808</p>	<p align="center">UCSF 2005 Kalia Road, Honolulu, Hawaii 96815</p>

February 15-20		<p align="center"><b>Optimizing Practices and Workflow in Body Imaging 2009</b></p> <p>Evolving technology improves radiological practice through improved image quality for anatomical interpretation and, generation of functional data. The use of MDCT and fast, multi-phase imaging sequences also translates to a tremendous increase in data that requires review and handling and greater need for contrast and radiation safety awareness. Fees: \$900</p>	<p align="center">UCSF Kohala Coast, Big Island, Hawaii 1 North Kaniku Dr.</p>
February 15-20		<p align="center"><b>Primary Care Medicine: Concepts and Controversies</b></p> <p>This course is designed for practicing internists, family physicians, nurse practitioners, physician assistants and specialists interested in expansion of their primary care knowledge and skills. The curriculum will feature a diverse selection of up-to-date, practical topics in primary care and specialty medicine including controversies in preventive medicine, management of cardiovascular risk factors, strategies in women's health and office gynecology, diagnosis and treatment of common ambulatory problems, new developments in management of chronic disease, and advances in neurology and hepatology. Fees: \$715</p> <p>To register call (415) 476-4251 or email <a href="mailto:info@ocme.ucsf.edu">info@ocme.ucsf.edu</a>.</p>	<p align="center">UCSF Fiesta Americana Puerto Vallarta, Mexico</p>
February 15-20		<p align="center"><b>Infectious Diseases in Clinical Practice: Update on Inpatient and Outpatient Infectious Diseases</b></p> <p>This course reviews clinically relevant topics in infectious diseases which are chosen because they are of interest to the practicing clinician or because there have been significant recent advances in diagnosis or treatment. Fee: \$725</p> <p>To register call (415) 476-4251 or email: <a href="mailto:info@ocme.ucsf.edu">info@ocme.ucsf.edu</a>.</p>	<p align="center">UCSF Fairmont Orchid Big Island, Hawaii 1 North Kaniku Dr. Kohala Coast Big Island, Hawaii</p>
February 17	12:00pm	<p align="center"><b>Advances in Lung Cancer</b></p> <p align="center">Speaker: Sariat Dubey, M.D.</p> <p align="center">For more information contact Marcia Shaikin at 650-991-6408</p>	<p align="center">Seton Medical Center 1900 Sullivan Ave Daly City</p>
February 18	7:30am	<p align="center"><b>Urology Tumor Board</b></p>	<p align="center">Mills-Peninsula Pen-Admin Conf. 1<sup>st</sup> Fl.</p>

February 18	8:00am	<b>Cardiac Conference</b>	Mills-Peninsula Pen-Sierra West
February 18	9:00am	<b>Critical Care Rounds</b>	Mills-Peninsula Pen-ICU/CCU
February 19	8:00am	<b>Tumor Board</b>	Mills-Peninsula Pen-Sierras
February 19-21		<b>9<sup>th</sup> Annual MR Advances in Neuroradiology and Sports Medicine Imaging</b>  This course is intended for practicing radiologists, orthopedic surgeons, neurosurgeons, and medical professionals such as nurses, radiologic technologists, physician's assistants, and scientists. Fees: \$950	Stanford Resort at Squaw Creek, Lake Tahoe, Ca
February 20	8:30am	<b>Hip Fracture: The Orthopedic MI"</b>  Speaker: Paul Abeyta, M.D.  For more information, contact Marcia Shaikin at 650-991-6408	Seton Medical Center 1900 Sullivan Ave Daly City
February 24	7:45am	<b>Everything you are dying to know about Hospice – The patients who worry us most, Advanced Care Planning for our Chronically Frail Elders</b>  Speaker: Barbara Bishop, M.D.	Mills-Peninsula Pen-Sierras
February 24	12:00pm	<b>Reconceiving Residency Training: Insights from the Carnegie Foundation's Preparation for the Professions Program</b>  Speaker: Molly Cooke, M.D.  For more information, contact Marcia Shaikin at 650-991-6408	Seton Medical Center 1900 Sullivan Ave Daly City
February 24	12:15-1:30pm	<b>Emotion, Stress and Depression</b>  Speaker: Ian Gotlib, Ph.D.	San Mateo Medical Ctr. Multipurpose Rm #100 225 West 37 <sup>th</sup> Ave. San Mateo
February 25	9:00am	<b>Critical Care Rounds</b>	Mills-Peninsula Pen-ICU/CCU

February 25	12:15pm	<b>Infection Control</b>	Mill-Peninsula Pen-Sierra West
February 26	8:00am	<b>Tumor Board</b>	Mills-Peninsula Pen-Sierras
February 27	8:30am	<b>State of the Art Surgical Robotics</b>  Speaker: Christopher Kane, M.D.  For more information, contact Marcia Shaikin at 650-991-6408	Seton Medical Center 1900 Sullivan Ave Daly City
February 27	12:00-1:00pm	<b>Brain activity patterns in deep anesthesia</b>  Speaker: Daniel Kroeger  Contact: Jamie Zeitzer 650-493-5000 or email: <a href="mailto:jzeitzer@stanford.edu">jzeitzer@stanford.edu</a>	Stanford 701A Welch Rd., 2 <sup>nd</sup> Fl. Conference Room Sleep Center Palo Alto
